All,

As you are all overtly aware Realtime Analysis and News Limited has sold its business line trading assets for "RANsquawk" and "Talking-Forex" to the JET group.

Under the terms of the agreement the JET group agreed to offer all RAN employees the same roles and the same terms of employment.

**However, I thought it would be useful to share what has been agreed regarding the Directors and Consultants at RAN Limited given the changes that have occurred:**

#### **DIRECTORS**

| Adam Voce       | as non-Executive Director   | Will remain a non-executive Director to RAN to support its future development and growth via TRADERSWORLD   |
| Aubrey Hayward  | as Consultant MD            | Will lead the development of TRADERSWORLD as the new low risk efficient business model to take RAN forward AND assist in the handover to JET for 3 months         |

| Adam Linton     | as Full Time Director (RAN) | Will remain at RAN for 3 months to help RAN setup TRADERSWORLD and support the transition to JET  |
|                 | As Head Squawker            | Will simultaneously second to JET as lead squawker on the desk and then decide to stay at RAN or move to JET - will be Adam's decision at that time as discussed. |
