Laura, Adam, All,

Apologies – I think I forgot something / oversight with regards to this domain. I.E. that Adam V, myself and Ivaylo Dimitrov agreed that GCV LTD would repurchase this domain from RAN LTD (pursuant to RAN purchasing it from Westlands Trading f I recall correctly).

This was agreed by RAN and GCV as it enhanced RAN cashflow by £7500 whilst allowing RAN exclusive rights to lease back the domain for 99 years at a fixed costs only subject to inflationary increase every 5 years at £100 pcm (payable yearly in advance) so long as RAN LTD remained in business or required exclusive use therof.

Hence, GCV has now paid £7500 to RAN LTD (GCV Inv 21) but RAN still has the £1200 liability back to RAN – which it will invoice in due course I assume.

NET outcome is that no one need to take action EXCEPT MR VOCE. Adam please reaffirm that you hold the domain in your name – as per Laura's indication below. BUT that you do so on TRUST for GCV LTD until such time as the administrative transfer is completed.

For Information I think from memory this means the following in Summary:

- 1. RAN LTD bought the domain TRADERSWORLD.CO.UK for circa £12000 in 2016.
- 2. RAN LTD sold the domain TRADERSWORLD.CO.UK to GCV LTD on 31st March 2017 for £7500 + VAT = £9000 on condition exclusive rights of use for £100 pcm + VAT for 99 years whilst in business and requires / wishes for all rights use of the same.
- 3. Adam V holds on Trust for GCV pending completion of paperwork admin.

Hope makes sense – apologies for oversight on my behalf but essentially enhancement to RAN cashflow. Please confirm read and acknowledge / understood. Can action the admin stuff in due course but given current priorities suggest put on back burner for now.

Cheers

G

Hi George

To confirm on a point below, the domain www.tradersworld.co.uk is currently under the ownership of Adam Voce and is therefore secured for use by RAN Limited

I will create a one page document outlining the progress / purpose of the project this week.

Thanks Laura

Hi Laura, Adam, Aub,

Please confirm that the domain has now been transferred to RAN limited or Adam Voce and if the latter is confirmed as to be held on trust for the company RAN limited. Please confirm the situation and that in any event the domain is secured for the company. Much obliged.

In addition, LAURA / AUB - I would be grateful if you could provide a one page update on the progress / development of RAN's new website and business model "TRADERSWORLD" and we should ensure it now forms a key agenda item for the Leadership Advisory Board which is in the process of being implemented.

I am aware that migration and legals continue to be hugely demanding but nonetheless the prospect of this new direction and project is exciting and positive, particularly given the significant revenue generation opportunity it proposes in the medium term given the extensive virtual team that underpins it.

In summary:

AV / LB please provide confirmation domain secured for Realtime Analysis and News Limited. CONFIRMED? PLEASE ADVISE?

AUB / LB please provide a one page update on progress of business model and site.

ALL - RAN should increasingly prioritise this as a key Leadership Agenda Board item. ONGOING

Kind Regards George

RAN Director Migration Consultant to JET
