Hi Aub,

Just to re-confirm / capture thoughts on office(s) as discussed – i.e.:

1. Keep 1080 for now – leave in RAN name as u said? (Please confirm in RAN Limited name?). Have agreed for the cost to be reimbursed by myself or GCV or a n other fpor the next month so to give chance to see where the land lies once Justin left. Please confirm actioned with WeWork & “offlist” for now?
Thanks.
2. Negotiate 15% (or min 10%) as best you can to sign up for the x12 month deal at wework – saving ideally circa £1400.
3. In the near term been speaking to Jason about possible “hot desk / satellite location” or similar for private / BD meetings. I will pick this up with Jason again when we can soon and share if any progress.
4. Long term (post any discount deal) I think worth considering own real estate investment in a growth area for the company in the longer term but too many moving parts for now.

Can you confirm all good / actioned on 1080 and sort the discount as best you can on 1006-1008 as soon as you can pleas / thanks... may need another or 1080 for Crypto pending talks .. explain in due course.

Excuse this and subsequent emails tonight – trying to power through various this week.

Thanks.
