Hi Pierce

Sorry whats the other 3 payments?

With regards to the S Pettman payments these were raised by George and actioned by me on MetroBank. I think George may have the invoices for his work, if not I'll look here.

Good morning all,

I hope you had a good weekend.

Just following up on this as we have made the VAT debt payment of £1,051.10 but we still have the other three payments to make. Please confirm that you happy to make these payments and are you able to scan the documents to me so I can have payment information?

Following on from this I can see that S Pettman was paid £15,000.00 &

£3,000.00. Can you send me the invoices for these transactions please.

Thanks,

Good morning all,

I hope you are well.

We currently have 4 payments to make for Real-Time so firstly is it possible to get both sides of these sheets scanned to me? I need to see what accounts I'm paying into and also can you confirm that you are happy to raise this from the RAN Metro account today?

If you could get this information over to me at your earliest convenience as myself, Alec and Aiden are working hard to get FuturePay up and running.

Thanks,
