Dear All,

Given Adam Linton is on Holiday and ideally this needs his approval I will approve it online and in the event he does not authorise then I hereby take personal liability for the amount as I am aware Stuart would be grateful and benefit from this loan today.

If no objectives then please advise, otherwise I will approve now at the bank.

Importance: High

Hi Aubrey, Pierce, Adam L,

Please can you raise a £7500 payment from RAN Metro Account to Stuart Pettman Personal Account (Please check with Stuart but I think it comes up as "Mrs Pettman" for some reason - but please do double check the account as it is to Stuart Personally and not his company.

Subject to Aubrey, Adam Linton, Jason, Adam Voce approval Stuart has agreed for this loan to made to him and a rate of 0% and repayable with 48 months.

It is intended and hoped that this will enable him to purchase IT equipment and / or address other concerns he has in order that he can provide and assist RANSQUAWK with the best of his abilities.

Stuart and myself have agreed it within his contract also.

Please kindly approve and raise this asap (and advise if you need me to do anything else) as I understand it would be helpful to Stuart if this was processed today.

Please all advise if anything you I have stated inaccurately or should otherwise consider. Otherwise thanks in advance and please expedite.

G

Ps. I will now continue to try and finalise the numbers for Stuart and for the VAT elements and interaction with RAN Limited, JET / JETS so as to optimise accounting matters.
