Hi Alec,

Hope you are well – much going on at the moment but hopefully will provide a kickstart to a new and empowered direction.

(FYI / In confidence – albeit Aubrey is aware I am currently in positive negotiations with Alex Piper in the hope will return to work alongside you going forward).

Aside from that I am also performing a governance audit – i.e. to make sure all the correct documents have been signed and duplicates have been filed with the company records accordingly.

With this in mind – I am aware that you have already signed and witnessed this historic document – but I would be grateful if you could please resign and scan and return an additional original so that I can pass it to Albie / PJ for the records.

Please kindly print off, sign and scan and then send a digital copy to myself and Albie.

Then please send the original copy to myself such as I can file with the company documents which I currently

Much appreciated and apologies for the bit of Admin!

Speak soon.

Kind Regards

George
