Could you pay less?

Remember - it might be worth thinking about switching your tariff or supplier.

Personal Projection is our estimate of your energy costs (including VAT & other discounts) for the next twelve months and is based on previous consumption. This could be affected by future tariff, price or consumption changes.

Check you're on the best tariff for you.

You could save money or fix your prices for added peace of mind. To see what tariffs we have to offer, and to switch, go to sainsburyenergy.com/tariffs
