Mrs Busfield,

For the record.

If these allegations made by you hold any weight, then why has the matter not been escalated? I note your son, George, had made numerous unproven allegations over the last year. I distinctly remember similar events at the end of last Aug where your son decided to scapegoat me over my directorial resignation from JETGS and petite expenses of circa £200. I quickly refuted these attacks to the point it amounted to colossal embarrassment for George and his pathetic ego. It only highlighted his narcissistic track record of bullying others. If there were any truth to these claims, I would have got sacked last year. It is not the case. I do not take kindly to those who use such intimidation tactics and have no reason to be scared by them.

I have tried to reach out to George on several occasions (various times yesterday and Sat afternoon). I do not particularly feel the desire or wish to communicate with him or furnish his ego; I reached out for the greater good of those who work here. I note many of those staff feel a similar disdain for the events of the last 18 months, but like me, they try hard to overlook the problems caused by such bad apple.

George has left his phone off well over a day. It is typical of him asking him to reach out to me only to do this. It happened last year when I wasted a whole day going to Stoke because George insisted it was of "URGENT IMPORTANCE" for the business. George had me waiting along with Mr Pettman for hours because he turned off his phone. I came back with nothing other than an utter waste of 12 hours and ~£100 of travel costs, and these souvenir tourist photos of the surrounding area I took on my phone which I've attached.

There is a raison d'etre for exhibiting these photos now (exhibit A and exhibit B).

Last year, George made a massive point about office costs and the idea of moving the offices to Stoke to save money for the business (despite the fact he concurrently refused for months to cancel 1080 against my advice). George's suggestion was to move the office next to Mr Voce's shop, Period Property Store (which I still have on record). Exhibit A is what I found sat next to Period Property Store. Quite frankly it would be embarrassing for anyone to be seen going into this building as a one-off, let alone daily. How can any self respecting City professional take this suggestion seriously is beyond logic?

If this wasn't embarrassing enough, I overheard a call George made to Mr Baughan, again in Oct 2018. I sat in proximity where George tried to make the business case for copying the subscription model used by PornHub. I was made aware later George even offered to share Mr Baughan his PornHub login details for "business and research" purposes. Given it has taken George well over a year to concoct accounts for JETGS, I can only infer how the remainder of that time might have been spent.

George does not make the same effort that senior staff makes, such as myself, Mr Linton, Mr Baughan, etc. Therefore it is repulsive to suggest we are the cause of any failure.

The fact you, Mrs Busfield have not bothered to reply to my email while George has been known to offline seems to suggest George is using your identity, much like he uses other peoples identities to carry out his nefarious agenda. If you are serious about your duties as a director, I implore you to take my offer of visiting myself and Mr Hayward in London. It would enable us to facilitate an agreement with staff. It has to be you, as no one is in a position to take George seriously given the reputation he has created for himself. The latest ineptness to address matters like ANZ further illustrate this.

Kind regards,
Jase.

WITHOUT PREJUDICE

Cynthia dear,

The tone of your email is very overbearing for a nurse of seventy odd - I only hope you are a bit gentler to your patients and guests.

I tried to reach out to George over the weekend on Sat afternoon - however he didn't pick up as his phone was switched off.

I anticipate it likely I will respond further within 14 days - predominantly as I am seeking/awaiting appropriate legal, accounting, audit, and/or other relevant legal and/or professional advice and/or input(s) on your/Mr Busfield/Mr Voce's correspondence such as I envisage will enable me to further respond informatively, lawfully and pragmatically such as to enhance my efforts to try and protect the interests of all innocent parties and individuals as are feared and/or perceived likely to be materially and/or unlawfully negatively impacted either by your attached correspondence(s) directly, and/or as a result of the inferences and/or implications as you convey therein.

As the author of the code, and the person who was the 100% shareholder until questionable changes were made by your son on Companies House last year, your email seems like an attempt to extort me for my own creation.

You may also wish to educate yourself as to why Mr Singh grew such disdain for your son. The actions your son undertook are similar to what he is attempting to do here, potentially in your name.

Staff already have passwords for the various IT services used in the office.

Take note, Mrs Busfield, seeing as you penned this email I suggest you come visit myself and Mr Hayward in London to discuss matters in the not too distant future. It would allow us to find a more amenable long term solution. I'm sure you'll

understand resorting to solicitors in neither of our interests. Until then, given those in the office are people I consider to be friends, I can provide remote IT support if my invoice is paid up immediately and invoices for future work continue to be honored. If you read my resignation you would have understood I do not wish to compromise the livelihoods of those who work in the office, so any "CATASTROPHIC COLLAPSE AND FAILURE" you talk about is largely an exaggeration of your making. I believe the issue Mr Hayward raised earlier largely down to an expired card and thus has little relation to my resignation letter.

Lastly, Mrs Busfield, I implore you to uphold your fiduciary duties to resolve disputes with staff, stakeholders and external creditors before polemicizing me. I can't help but think your/Mr Voce/Mr Busfield's unwilling to do this equitably makes me and others question your motives and thoughts.

Regards
Jase

Dear Mr Earl,

URGENT UPDATE TO BELOW EMAIL AND IMMEDIATE ACTION NOW REQUIRED BY MR J EARL

I hereby update the below correspondence as at 10.38 today the 19th August 2019 (in real-time) given the attached email as has just been provided by Mr Hayward in the last hour. You will note that Mr Hayward's email identifies critical server matters to enable and support the RANSquawk business viability and ability to continue and not collapse catastrophically as I indicate to be a risk due to your actions Mr Earl, and as I have indicated accordingly in my relevant correspondence as previously drafted and I intended to send this morning in any event.

However, given Mr Hayward's email this morning:

I NOW DIRECTLY AND AS A MATTER OF URGENCY, IN ACCORDANCE WITH MY PRIOR DRAFTED EMAIL BELOW, INSTRUCT YOU TO IMMEDIATELY ACTION THE FOLLOWING AS I AM AUTHORISED TO DO AND AS YOU ARE OBLIGED TO COMPLY WITH FOR REASONS STATED HEREIN AND/OR OTHERWISE:

1. You are now to provide a list of all services and passwords and IT code and any such similar material such as supports the RANSquawk and Talking Forex businesses immediately by return and absolutely and in accordance with my previous drafted response below.
2. You are to hand over all IT details and data and information such as supports RANSquawk and Talking-Forex immediately to myself in response to this email and as I will imminently direct you also to provide to a suitable IT skilled individual as I will identify to you very shortly today.
3. The reasons and rationale and legal underpinning factors are indicated below – i.e. in summary – you are bound to return and provide all the IT assets and Intellectual property as is referred to herein as it is owned by the Companies' as are "JET" (the Jet Group Limited), "JETS" (The Jet Group Services Limited), "RAN" (Realtime Analysis and News Limited), and/or "TTN" (Trade The News Limited), and or similar otherwise, but in all instances such as is definitively know and evidenced and documented as is not owned by yourself and thus such as you are lawfully and legally obliged to provide immediately and comprehensively to myself as I hereby demand absolutely as the Director and Majority Shareholder respectively; and moreover as you are duty bound by your fiduciary duties as are relevant.
4. Given the urgency of this matter you are to provide all such details within 4 hours of this email being sent to yourself.

IN THE EVENT YOU DO NOT COMPLY WITH THE DIRECTIVES ABOVE ABSOLUTELY (WITHIN 4 HOURS AS

STATED) – AS HEREBY REQUESTED, DEMANDED AND INSTRUCTED, THEN:

1. I AND THE OTHER DIRECTORS, SHAREHOLDERS, LAWYERS, AUDITORS AND ACCOUNTANTS OF RELEVANCE WILL HAVE NO CHOICE BUT TO VALIDLY ASSUME AT THAT TIME, BASED ON YOUR NON-RESPONSE AND THE EVIDENCE IN YOUR ATTACHED CORRESPONDENCE (AND AS IS SIMILARLY CO-SUPPORTED BY OTHER EVIDENCING DOCUMENTATION FROM YOURSELF AND OTHERWISE) THAT IT IS CLEARLY AND EVIDENTIALLY YOUR INTENT TO UNDERTAKE AN ARRAY OF CRIMINAL AND CIVIL UNLAWFUL ACTIONS SUCH AS WHEREBY YOU WILL BE DIRECTLY RESPONSIBLE FOR THE CATASTROPHIC COLLAPSE AND FAILURE OF THE RANSQUAWK AND TALKING-FOREX BUSINESSES.
2. THEREFORE, AT SUCH TIME, I.E. 4 HOURS FROM THE TIME OF THIS EMAIL, SUCH DIRECTORS, SHAREHOLDERS, LAWYERS, AUDITORS AND ACCOUNTANTS OF RELEVANCE WILL HAVE NO CHOICE BUT TO UNDERTAKEN IMMEDIATE CRITICAL AND VERY SIGNIFICANT ACTIONS (AS A RESULT OF YOUR UNLAWFUL ACTIONS) SO AS TO ATTEMPT TO DO OUR UPMOST TO PROTECT ANY AND ALL RESIDUAL VALUE THAT MAY BE ABLE TO BE SECURED / SALVAGED FOR THESE BUSINESSES IN SUCH CIRCUMSTANCES.
3. IT IS ENVISAGED INEVITABLE, THAT IF SUCH EMERGENCY ACTIONS HAVE TO BE TAKEN BY SUCH DIRECTORS, SHAREHOLDERS, LAWYERS, AUDITORS AND ACCOUNTANTS OF RELEVANCE AS PER “2” ABOVE AND AS A RESULT OF YOUR ACTIONS, THEN THIS WILL RESULT IN SIGNIFICANT LOSS OF VALUE AND FINANCIAL HARM TO THE BUSINESSES AND COMPANIES REFERRED TO AND AS RELEVANT HERETO. YOU WILL BE HELD FULLY LIABLE FOR SUCH OUTCOMES AND HARM CAUSED TO THESE PARTIES AND ALSO THE INDIVIDUALS AS ARE AFFECTED AS A RESULT OF YOUR ACTIONS
4. IN SUCH AN EVENTUALITY AS OUTLINED IN POINTS “1-3” ABOVE, YOU ARE HEREBY NOTIFIED THAT ALL SUCH DIRECTORS, SHAREHOLDERS, LAWYERS, AUDITORS AND/OR ACCOUNTANTS OF RELEVANCE ARE COMMITTED TO ENSURING THAT YOU RE HELD TO ACCOUNT ABSOLUTELY FOR ANY ALL HARM RESULTANT FROM THE UNLAWFUL ACTIONS YOU WOULD HAVE UNDERTAKEN.
5. I REITERATE THAT THERE ARE BOTH VIABLE BUSINESSES AND MANY PEOPLE’S JOBS AND LIVELIHOODS AT STAKE HERE MR EARL. I SUGGEST YOU THINK VERY CAREFULLY ABOUT THE IMPLICATIONS OF YOUR ACTIONS – FROM A MORAL< ETHICAL FIDUCIARY AND CRIMINAL AND CIVIL LAW PERSPECTIVE.

I further now share below my previously related drafted email of this morning as preceded the email from Mr Hayward referred to above.

It stands as a communication to yourself Mr Earl in congruence with the update above (in red or otherwise).

Dear Mr Earl,

I acknowledge receipt of your email and attachments as you sent on 15 August 2019 at 12:49. I reply below accordingly.

(I re-attach your relevant correspondence(s) to this email for ease of reference as “IT Resignation.pdf” and “Aug Invoice 2019.pdf”).

I anticipate it likely I will respond further within 14 days – predominantly as I am seeking/awaiting appropriate legal, accounting, audit, and/or other relevant legal and/or professional advice and/or input(s) on your correspondence such as I

envisage will enable me to further respond informatively, lawfully and pragmatically such as to enhance my efforts to try and protect the interests of all businesses, entities and innocent parties and individuals as are feared and/or perceived

likely to be materially and/or unlawfully negatively impacted either by your attached correspondence(s) directly, and/or as a result of the inferences and/or implications as you convey therein.

In the meantime, given the importance and potential severe implications of your correspondence and attachments, and the perceived unlawful actions inherent, (to the various relevant business(es) and innocent individuals as are to likely be

affected resultantly), I hereby now respond in the interim – such as to similarly aspire to “*protect the interests of all businesses, entities and innocent parties and individuals as are, or may be, materially unlawfully (or otherwise) impacted*”

(likely negatively in all instances) by your said correspondence and attachments", so as to duly advise, inform and instruct you as best I feel I am able, as follows, as at the date of this email:

1. The content(s) of your attached said correspondence (attached as "IT Resignation.pdf"), is holistically disputed and believed to contain and/or imply an extensive array of lies, falsehoods, non-factual information, defamatory statements and unlawful actions by yourself. Thus, you are hereby duly notified that as a direct result of your said correspondence, *(and/or the other relevant / associated evidential documentation and materials as have been captured recently respectively)*, and also by the actions, statements and inferences as you have made therein, (and/or otherwise), that you are believed and/or evidenced to have committed numerous criminal and civil unlawful actions.

2. Given the above, and such as stated at the outset is pending further formal legal, professional and/or other relevant input, advice and direction as is being sought currently – so as to enable and support the aforesaid further response in the next 14 days - you are hereby notified that it is currently believed, and thus to be duly investigated transparently and independently, that you have (via the attached correspondence and otherwise) undertaken, and/or been complicit in an array criminal and civil unlawful actions as are perceived at this date to provisionally include cybercrime (and multiple contraventions of the computer misuse act), data theft, conspiracy to defraud, theft, blackmail, defamation and/or other as is to be clarified and advised by legal professionals accordingly,

3. Aside the above, you are overtly and evidently aware that the actions as you have proposed in your attached correspondence letter as you provided on the 15-August-2019, if implemented, would likely inevitably result in the catastrophic and absolute collapse of the RANsquawk and Talking-Forex trading businesses in a very short period of time, and thus the loss of both viable business model(s) and enterprises and, worse still, the loss of numerous individuals and employees jobs and livelihoods. Moreover, I further respectively advise you directly and categorically that such are deemed and/or evidenced to be unlawful under the criminal and/or civil justice and that you will be held absolutely and directly liable in the event you undertaking and/or implement such harmful action and/or non-actions as relevant and/or as are defined required and for you to action immediately in response to this correspondence.

4. I further respectively hereby advise and inform you that your statement (as included in your attached correspondence), *"I note there my claim with Mr Busfield, Mr Voce and associated entities remains given their unwillingness to cooperate. Should this be resolved I will be willing to facilitate any IT handover. I am under no obligation to perform this should it remain unaddressed"* is both understood to directly represent an action of blackmail *(further to other previous actions by yourself as are believed complicit to the same unlawful offence)*, and also absolutely and factually and contractually untrue and false under UK contract and Trust law and/or otherwise. I suggest you consider that contract law defines 'implicit' and implied contracts regardless of whether or not an actual paper contract has been completed in any instance.

5. Additionally, I advise and instruct you that you are bound by your fiduciary duties in all respects hereto and whereby you are obliged absolutely to ensure that you act in the interests of the business(es) and companies of

relevance hereto. Indeed, you will be held liable and/or prosecuted via the criminal and/or civil justice systems, for any action(s), (such as you have indicated in your attached correspondence (or otherwise)), that clearly demonstrate a categorical breach of your fiduciary duties, and with vigour in the event that your actions result, as feared, in the unlawful catastrophic collapse of the trading businesses "RANSquawk" and/or "Talking-Forex" and/or the anticipated associated destruction of such valid trading entities, and/or their owning entities, and/or the forecast loss of numerous individuals jobs and livelihoods as a direct result of your actions (such as you have inferred and indicated in your attached correspondence.

6. Also, I advise, inform and instruct you that all Intellectual Property, IT Passwords, IT Code, Domain(s) and all relevant information, data and passwords are not owned by yourself in any respect and are owned by the Companies' as are "JET" (the Jet Group Limited), "JETS" (The Jet Group Services Limited), "RAN" (Realtime Analysis and News Limited), and/or "TTN" (Trade The News Limited), and or similar otherwise, but in all instances such as I reiterate is not owned by yourself and thus such as you are lawfully and legally obliged to provide immediately and comprehensively to myself as I hereby demand absolutely as the Director and Majority Shareholder respectively.

7. Furthermore, I hereby advise and inform you that, as you may or may not be aware, you are already under investigation for a myriad of unlawful activities at this time, regardless of the matters addressed directly herein.

8. Your Invoice will be reviewed in due course, however it is alleged that you have stolen and misappropriated funds from the company for personal use (such as to pay your personal tax bills without authorisation to do so) and moreover that you have a number of outstanding debts to the companies and individuals of relevance hereto – all of which needs to be clarified and reconciled to ensure you and all parties are remunerated correctly.

A LAST FINAL ALTERNATE PROPOSAL FOR MR EARL'S CONSIDERATION, AND AS IS HEREBY OFFERED IN THE INTERESTS OF THE BUSINESS

- a. Notwithstanding and regardless of all the above, it is noted by the aforesaid "SUCH DIRECTORS, SHAREHOLDERS, LAWYERS, AUDITORS AND/OR ACCOUNTANTS OF RELEVANCE" that despite the resentment and distain for your actions as are stated and/or inferred herein and/or otherwise, but putting emotions to the side, there is arguably the potential to secure a more beneficial outcome in the interests of the business(es) hereto, via engagement and communication and an attempt to reach an agreement with yourself Mr Earl, perhaps as may ensure the survival of these businesses and prevent endless and extensive hours and costs being incurred in legal action(s). Sadly I have to say from a moral ethical and personal point of view it can only be assumed that such engagement and negotiation will likely also have to result in remuneration and payment to yourself respectively. However, perhaps this is a best price to pay to secure and protect the interests of the businesses hereto.
- b. Thus, if you Mr Earl are willing to engage in such a discussion, negotiation, then either reply and advise accordingly in response to this email within the 4 hours as above indicated, and/or call either Mr G Busfield or Mr Adam Voce on 07740157204 or 07785227586 in the same time frame such as to communicate your willingness accordingly and whereby they will act as intermediaries in any such discussions.
- c. It is noted that Mr Busfield has already tried to call you and engage with you directly over the last week, and despite all the above and/or relevant formalities it is hoped genuinely that you will show some decency and courage and engage in these discussions and negotiations as are hereby offered, as it is believed that such action by yourself may result not in only in realising benefit for yourself but likely many as are related and affected by the matters herein

addressed.

- d. However, given Mr Busfield's prior attempt to engage in discussion and negotiation with you directly this last week as stated, and that you are now hereby being once again offered the opportunity to engage similarly - as hopefully may enable benefit for all and "yourself" (albeit for some reason it seems you cannot see this, despite having inferred your willingness to enter discussions - i.e. so as to support an "IT handover" (or otherwise) as you conveyed in your attached "IT Resignation" (but have not followed up on for some reason as perhaps you can explain?), this offer to enter into discussions with yourself on the respective matters addressed herein and/or as related hereto, will be the last as the Directors and associated relevant individuals need to take action now to protect the businesses as above indicated.
- e. In summary, It is hoped you will engage in discussions to try and seek a resolution as to support the businesses and benefit many, including yourself, but as said, at this time now and given the circumstances if you choose not to do so then for all the reasons as stated above and otherwise, it must now be assumed, that if you do not respond positively and such as to engage as indicated, then it must be assumed you have no intention to do so.
- f. In such an eventuality, as outlined in 'e' and all correspondence above, and that you do not engage in discussions / negotiations as offered, and you do not enact the demands as I have made above under the "URGENT" section of this correspondence and/or otherwise, then the actions as indicated herein will be undertaken forthwith.

Yours Sincerely,

C Busfield

Director RAN, JETS and TTN

On Behalf of myself and the following parties as have reviewed and confirmed the accuracy and appropriateness of this email correspondence.

- Mr P Williams, Director RAN, JETS and TTN
- Mr G Busfield
- Mr A Voce
- Mr I Dimitrov
