Hi James,

So "Realtime Analysis and News Limited" has amicably transferred its trading business lines known as "RANsquawk" and "Talking Forex" (essentially the guys / business at WeWork) to "THE JET GROUP" (Company Number **10344336**) as of today. (THE JET GROUP will own the trading business and contracts that are RANsquawk as from the 1<sup>st</sup> September).

Nothing will change really – the businesses will operate as before from 1006-1008 at WeWork Moorgate – just owned by a different entity now.

However, as Anita has described both RAN and JET have agreed for all associated assets and contracts to be taken over by JET – which obviously includes the office.

Therefore, I would be grateful if you could simply leave everything as is but pass my account over to JASON EARL who is the owner and director of the Jet Group. He is already a member on the RAN account so the easiest thing would simply be to swap him over with me – I will still be around as will everyone else to support the transition.

I have copied Jason into this email and he will likely be in later today or tomorrow all being well.

Please advise of the quickest and simplest way to do this. Thanks

Thanks  
Adam

Hi Anita,

Interesting! Would love to find out more tomorrow. Will Jason be around?

Adam would need to send an email stating that all of the above is to be changed over, and details of who it will be changed over to for this to go ahead. The rest would then be in Jason's hands.

Do let me know if there is any more information you require. What will the company be called?

James

Hi James... again!

So there will be a few changes from our side from tomorrow as we are going to be changing company name etc. from tomorrow.

Jason the new owner will need to sign and take over the lease. As it will be an amicable takeover, please let me know how we should go about this.

Look forward to hearing from you.

Kind regards,

Anita
