Hi Alec,

I hope you are doing great. Could you please process the SpikeCharts and DataFlash subscriptions? We were left on December, so it would be December 2016 to May 2017

Any major updates regarding your business?

We are fully occupied with our echofin project, the chat app for traders.

Kind regards,

George

Hi Alec,

I hope you are doing

process the SpikeCharts

subscriptions for August
until November so I can
send you an invoice?

How are things for
RANSquawk? We have
been very busy with our
new venture, echofin.
This is a communication
platform for team of
traders and comes with
audio/video
broadcasting, financial
widgets and billing
integration. I am
attaching a screenshot
to get a feel of what I am
talking about. The

platform can be used by
brokers, instructors,
team leaders who want
to gather all their
followers in one place
and provide webinars,
tutor them or simply
create a trading
community.

Regards,

George
