Thanks Alec,

I will progress this today and be in touch.

Thanks

Adam

The three named users should be myself, Aiden Cronin and Ruth Spilsbury. If you need separate email address details for them these are first.last@ransquawk.com; but we would want people who use PayPal to make their payments to invoices@ransquawk.com. In this way Ryan in accounts will also see payments being made. Ryan's email is billings@accounts.ransquawk.com.
