Subject: Re: London Meetings

Hi Aubrey,

Yes agreed, as discussed I was planning to come down and meet senior staff once I had concrete information from the accountants. When I have confirmed the date of the second meeting with CP/MP we can arrange a good time to meet the senior staff.

Thanks
Adam

Hi Adam

I gather you are meeting Mehul/Chandrakant Patel next week, Thursday 25th April to discuss shareholding issues based on 'preliminary/informal' accounts data.

I also believe you are having a secondary meeting with 'the Patels' and perhaps with Albie Turner the following week based on more 'formal/audited' numbers. I believe 'around' the secondary meeting would be most appropriate to meet Senior staff members here about possible future plans as formal rather than informal data is key after 12-18 months of 'false starts', along with 'false promises' on senior staff shareholdings. These MUST involve myself, Jason, Alec and Adam Linton. I can confirm that IF you desire Mr Pettman to join then 'some' of those Senior members of many years service will refuse to attend, clearly its your prerogative to meet him independently if you wish.

Once you have finalised the 'shareholder' dates please do let me know so I can organise.

Thanks

Aubrey
