Hi mate,

I can call you about it if you like, but the situation is that they had a drop in users. They have been paying for up to 10 users on the desk (but never had more than 7) and we've spent the last few months renegotiating.

That finalised this last week, and we're changing from 15k for up to 10 users, to 10.2k for the five remaining on the desk. Invoice will be changed at the next bill run at the end of the month and they'll pay soon after.

Thanks,

Alec.

Good Morning Alec,

Hope you are well.

I have just noticed Centrica Plc on the debtors list. I wouldn't usually bother you with individual debtors but the amount is eye catching! When you get time today could you please give me a call to discuss thanks.

Regards
Adam
