Leanne,

I have no idea how busy you are but stuff with George is fast approaching D day. I note the attached two docs he had his mum send Ranvir last night (or likely he sent from an email address that he set up a few weeks ago pretending it is his mothers!) with the accompanying email below. The pdf is VERY long. Can I ask that you have a read through, it's is rather disjointed and repeats itself a lot, but net net I believe that writing without prejudice and saying it is a hypothetical situation in bolds does not change the fact that this is simply blackmail

So as far as I can see GB is not rational and or has a mighty bee in his bonnet and well, unless Ranvir gives him lots of money and the odds are keeps doing so indefinitely (noting he is talking about Kevin Gray again when supposedly that was resolved X years back etc) George will keep threatening him and as such, however painful and time consuming calling the police in, it could just be the simplest thing to do. Starts the process of a resolution that has an end

Can you share thoughts oco pop in if you get a chance to readski...?

Sonny

Am at proper keyboard now  
Wanna tap me up when you get in  
I believe it is blackmail  
I would call the police  
I would not communicate with him via email or text or telephone; only face to face or via letter  
I can ask Leanne to have a read and share her opinion  
I will do nothing until we talk  
I will draft a short email to Mehul as per our chat yesterday but await your review

I've read it now.

I think it is blackmail.

Saying its without prejudice and is hypothetical doesn't mean it isn't said

Want u wanna do; u know my opinion etc

Dear Ranvir

Please find attached a letter from myself and a document on possible thoughts and options that I hope you can help us all find sa solution with

I do hope so because from experience working things out sensibly between ourselves is always the better option

maybe you can speak with Adam or even call me if you wish as I know you and George have been dealing with this for a long time but he is not against you Ranvir he is just trying to protect himself and my investment and I think he needed your help? and felt let down you didn't support him after everything when he needed you

my home number is 01785 605712 and my mobile is 07771 356169

Best wishes to you and your family I know what a worrying time it must be but surely something good can come out of this restructure.

Cindy
