All,

As we continue with the migration of the business RANSquawk to THE JET GROUP. Jason has asked to be increasingly involved and transparent in all important communication as he feels he has missed some key discussions that he would like to have been involved in.

Therefore, please would you all be mindful of this and copy [jason.earl@thejetgroup.co.uk](mailto:jason.earl@thejetgroup.co.uk) to all high level and important discussions.

Jason has also asked to ensure that he continues to have final approval on all aspects of the business – so please ensure that any proposed changes to PRODUCT or PROCESSES, and any commercial / external COMMUNICATIONS are all approved by AUBREY / MYSELF & NOW ALSO JASON – as he is the Key Director and owner of THE JET GROUP and the businesses - whilst Aubrey and Myself remain only as consultants providing him with support and informal counsel in this regard.

Many Thanks  
George
