And a 2nd good morning!

SO, further feedback from Lawyer confirms we can in fact wait until next week. Therefore Richard would you be so kind as to see if there's room in your diary to meet at 0830 next Tuesday 19th please?

Speak soon

Aubrey

Good morning Richard

We have had some new information come to light from our Lawyer(s) over the weekend which we need to investigate. George is sadly at a funeral today albeit on a marginally brighter note Ranvir Singhs lawyers appear to have given us a further 7 days 'grace'. On the basis we clearly need to investigate new info we should postpone tomorrows meeting with you at 0830 and aim for later this week.

I apologise if this is a little vague but I'm not fully aware of what information needs investigating first.

Richard whats your diary like Friday morning 15th please?

Best regards

Subject: Real Time Analysis and News / RANSquawk / JET Group

Dear Richard

I believe from Albie at PJM that we are aiming to have a meeting with yourself next Tuesday 5th December. Present should be George Busfield (ex Director of RAN and Consultant to + largest shareholder), myself CEO of RANSquawk and Director of RAN and Adam Linton, Head Analyst and Director of RAN. George should be arranging this meeting but my experience with Mr Busfield leads me to believe he will A/ forget or B/ demand something last minute - hence I contact you now!

Clearly with whats planned for RAN by George and Jason Earl (JET), myself and Adam are left in a rather uninformed and inexperienced situation as current Directors of RAN, especially with George and Adam Voce both resigning last month in advance. Clearly we are both nervous and concerned of where we stand both legally, professionally and personally hence I contact you (also with Adam Lintons authorisation) to make sure we definitely do find the necessary time to seek your professional advice and guidance.

Please come back to me as and when you can so we can move things forward as soon as possible.

Much appreciated

Aubrey Hayward
