Hi Alec,

Please see attached debtors lists for Jet up to the end of September. I would hold off on September CC paying customers as I have just finished charging the cards.

Importance: High

Sorry, I've only been able to look at this now and realise the data is no good to me.

Pierce, on Monday please send me the debtors lists again but up to the latest date you can. It doesn't matter if it's up to today, or up to Wed, but it can't be just up to 31 Aug... I need to see data including September's invoices so I know if clients have paid Sep etc.

Thanks,

Alec.

Pierce: Can you provide me with an updated full debtors list please? I will then update the table below.

Nikki: Could you update me on whether or not USD Amex can be processed now? When Anita tried last week it didn't go through.

Thank you both!

Alec.

Subject: Debtors - JET and RAN

Hi guys,

I undertook an exercise to ascertain why monies were not coming through to the bank.

It has turned out that the debtors on RAN/JET are extremely high with a lot of old balances

The process before is that these clients would have their service suspended if they didn't pay and the majority this worked for.

Ok, this is what is going to happen.

1. **JET Group – Can Anita and Alec make this a priority to chase all the debtors on the JET ledger. I think any payments out will go on hold until the majority of this is collected. GUYS this is imperative we collect these debts asap. (LIST IS ATTACHED)**
1. **RAN – Pierce will chase this and deal with appropriately**
2. **Credit card payments – AMEX (awaiting Nicola instructions)**

Can I suggest that when I get back from holiday we all sit down and review the processes for this as it needs addressing.

Can I have your comments in due comments.
