Thanks

Aubrey, Jason, Adam D,

Apologies ... but can I ask what the buggery is going on with the front page of our website?!! it says in big bold letters ... “What is Ransquawk” and the when I click on it says “video not found” – I understand that we have had to take the Matthew and Ranvir video down but seriously is this how we leave it?... not good, this is lazy. This is the front face of our business to the world and now

more than ever we need to look A1 to clients and all.

I attach a graphic to edit and put in place of the video box – but I really shouldn't have to be doing this – this stuff has to come under your remit Aubrey / Jason / Adam.

ADAM / JASE - YOU WILL NEED TO UPGRADE THE RESOLUTION - AND REDO AS I DON'T HAVE THE ORIGINAL.

Please put up for now and then when we have a new video we can reinstate.

Please confirm when done. (today please)

Thanks
